5. Information Sharing
6. Next Steps/ Closing Remarks

The Next Council Meeting is April 1st, 2020 at 10AM

Vision: All children, youth and families in the St. Louis Region are served under a community-based integrated standard of care that:

1. Operates with seamless connectivity;
2. Provides high quality care, services, resources and supports and;
3. Promotes physical, emotional, intellectual, cultural and social wellness.

Mission: The mission of the St. Louis Regional System of Care is to seamlessly integrate social and emotional wellness services and practices into all aspects of the care system and to ensure understanding of and access to holistic care, services, resources and support for children, youth and their families.
