Recruiting Families and Youth

Jawana Hammonds reported that the weekly TouchPoint meetings with DJOs and Family Support Partners are going well as a place to discuss referrals. She announced the Parent Advisory Council is set to have orientation in November and the first meeting in January 2021. They are actively recruiting families for the PAC. The application packet will be posted with the minutes on the SOC website.

Tory Drayton reported that the first Youth Group meeting was 08/05/2020 at 5pm. Youth Group meeting topics include group norms and methods of educating youth and the public about mental health (podcasts, brochures, social media, etc.). He is looking forward to having more referred individuals attend upcoming meetings. He may be reaching out to SOC members to talk with the youth about the services they provide and/or the work they do. The Youth Group flyer will be posted with the minutes on the SOC website.

Mary Ann requested that each SOC Council member refer one youth and one parent/caregiver to the Youth Group or the Parent Advisory Council before the next SOC Council meeting in October.

Recruit family members and youth for the Parent Advisory Council and the Youth Group. (All SOC Council members; follow-up by Mary Ann Merz)

Project LAUNCH

1. **The Leap Ahead STL Cohort** is comprised of members who support the work around early childhood screenings and its impact. The cohort strategizes on how to improve and increase the use of the Ages and Stages Questionnaire (ASQ). The goal is that all the members will use the Enterprise data hub to input, track, and access deidentified data. To better inform the work. Membership – There are approximately 25 members currently, but we are extending an invitation to increase that #. Our next meeting will be virtual on August 27th 2:00-3:30 pm

<p>Announcements Closing Remarks Adjourn</p>	<p>2. DHSS Home Visitation has a new Community Liaison. She will be working closely with the PL team. To really increase the # of referrals made to home visitation programs, for as many young pregnant mothers as possible.</p> <ul style="list-style-type: none"> • Funding/Support <p>3. Parent Advisory Council (PAC) exists to give parents/caregivers a seat at the community table before decisions are made about where they live. We aim to provide parents/caregivers a place to glean information, share their ideas, concerns, and needs. Ensuring the best possible outcomes are achieved. The next PAC meeting will convene virtually on 21st.</p> <ul style="list-style-type: none"> • Participation • Representation <p>4. A Positive Parent Program (Triple P) Training was hosted for a few providers. It afforded an opportunity for the trained practitioners to offer brief tailored support, to the unique needs of each family referred specifically. A Triple P training follow-up meeting is scheduled for August 12th. To assess provider's readiness to implement the Triple P curriculum.</p> <p>Al Eason, co-chair, called for announcements. There were none, and the meeting adjourned at 11:50am.</p>	<p>Next Meeting: October 7, 2020, 10-11am. Virtual GoToMeeting</p>
